

# Intro Programme – Study Start 2026

## You have landed in the right place!

This is the official page where you will find your intro programme.

We are in the process of planning an intro programme that will give you the best start to your new student life.

The final and detailed programme for the intro days will be published right here at the beginning of August.

## Important dates you can reserve now

<b>28 August</b>	<b>Orientation Day 1 hosted by International Office</b> You'll receive specific information about this day directly from International Office. Location: On campus
<b>31 August</b>	<b>Orientation Day 2 hosted by your faculty</b> Academic and social activities on campus
<b>1 September</b>	<b>First ordinary day of lectures</b> Classes will start according to your schedule.
<b>11 – 12 September</b>	<b><a href="#">Semester Start Party</a> at SDU</b>

## Looking for practical information?

All information regarding books, schedules, and access to IT systems can be found on our university start page for new students.
