1st semester											
04-01-2027 at 9 a.m. on Digital Exam	07-12-2026 08-12-2026	H830039202	Co-Designing Interactions	Part 1: Oral examination Part 2: Individually written take-home assignment	Part 1: Individual 30 min., 2 students 35 min. 3-5 students 40 min.; including grading	Harun Kaygan	Internal	Full name and SDU username	7-point grading scale	To be announced on Digital Exam	01-02-2027
All 6 lab deliverables and subsequent presentations must be completed no later than 23-10-2026 at 4 p.m.		H830040202	Design Research Skills	During the course the student individually completes six mandatory lab deliverables that form the basis for the review sessions that conclude each lab. Deliverables are combinations of methods, showpieces and research documentation. The content of the deliverables will be specified at the beginning of the course. To pass a lab, the student must participate actively and do a presentation which is assessed as a pass. Each lab must be passed to pass the exam as a whole. One of the six labs may be replaced by an assignment, if the student does not fulfill the requirement of active participation in the lab. Content and length of the assignment will be specified at the beginning of the course.		Flemming Bech Thøisen Marcus Ronalds Mette Kjærsgaard Edward Abel Henry Larsen Franciska Fellegi Eva Knutz Thomas Markussen	Internal	Full name and SDU username	Pass/Fail	To be announced on itslearning	26-10-2026
