Electives											
Submission deadline on Digital Exam (DE)	Oral exam	EKA	Subject	Exam	Duration	Examiner(s)	Censorship: Second examiner	Exam number/ Student card	Grading	Room number	Deadline for announcem ent of the grade
26-02-2025 CANCELLED	03-02-2025 CANCELLED	H830037202- MA/Msc- students- (bachelor- students, please check your course- description and Digital Exam)	Designing for and with children	<p>Part A: Through the semester students carry out designs either individually or in teams. Students present their designs, design insights and reflections in an oral exam.</p> <p>Part B: Students must hand in a short conference- style paper. The paper is part of the final exam and the content positions designs/design insights in relation to relevant literature. The content of the paper should not be merely duplicate of the oral presentation (and vice versa).</p> <p>Students in teams may choose to write the paper individually or in teams.</p> <p>Both part A and B must be passed individually to pass the course.</p>	Part A Oral exam: 1- student 10 min., 2- students 15 min. 3- 5 students 20 min.; + 10 min. Grading	Robb Mitchell	Internal	Student- card	Pass/Fail	To be announced on Digital Exam	

Assignment available on Digital Exam: 19-02-2025 at noon Submission deadline: 21-02- 2025 at noon		H840040201	Data Science and Big Data	Take-home assignment	48 hours	Zhiru Sun	None	Student card	Pass/Fail		19-03-2025
